Cytologie gynécologique: La coloration

Lame virtuelle

Cytologie : Les liquides

- Les épanchements des cavités
- Liquide céphalo-rachidien
- Urines
- Liquide articulaire
- Expectorations
- Aspiration bronchique
- Lavage bronchiolo-alvéolaire
- Brossages

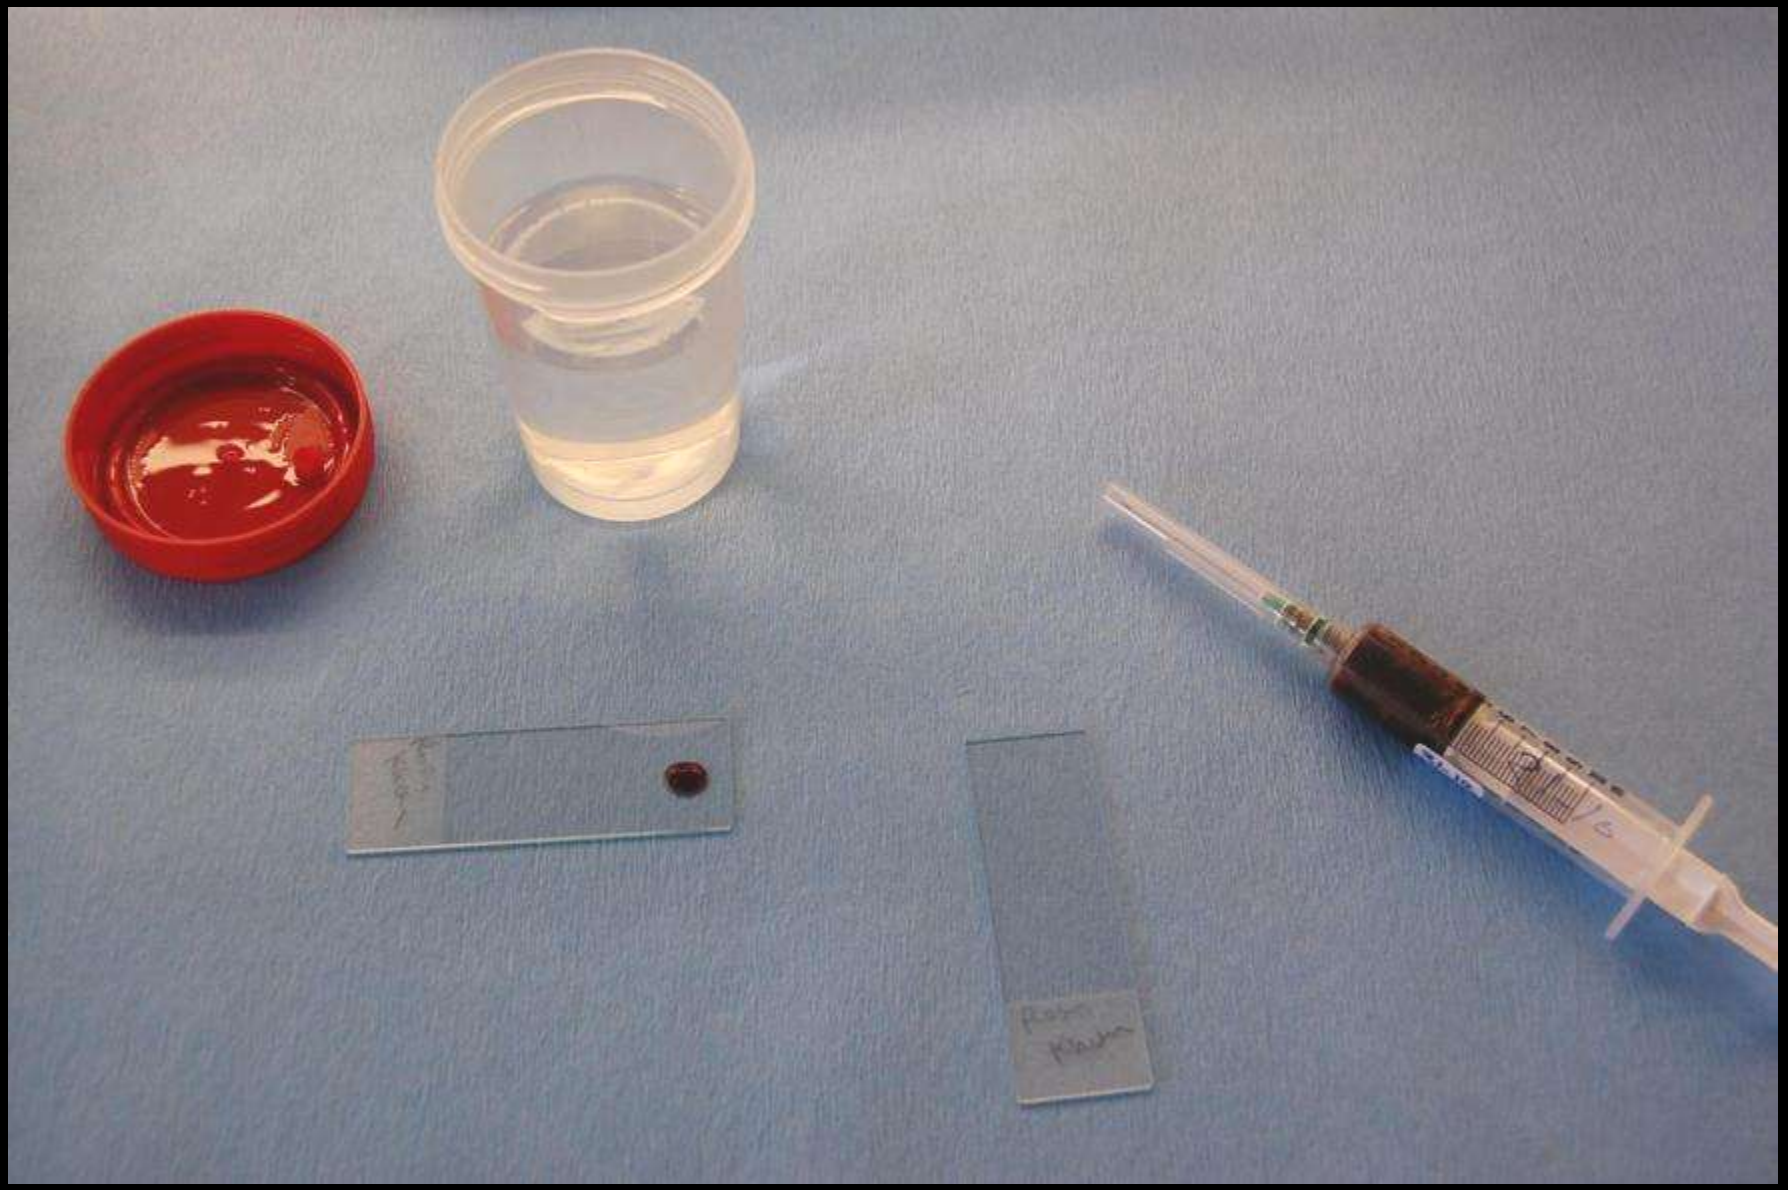
Cytologie : Les liquides, Aspects et volume

Cytologie :
Les liquides, conservation

Cytologie : Les liquides, préparation des lames

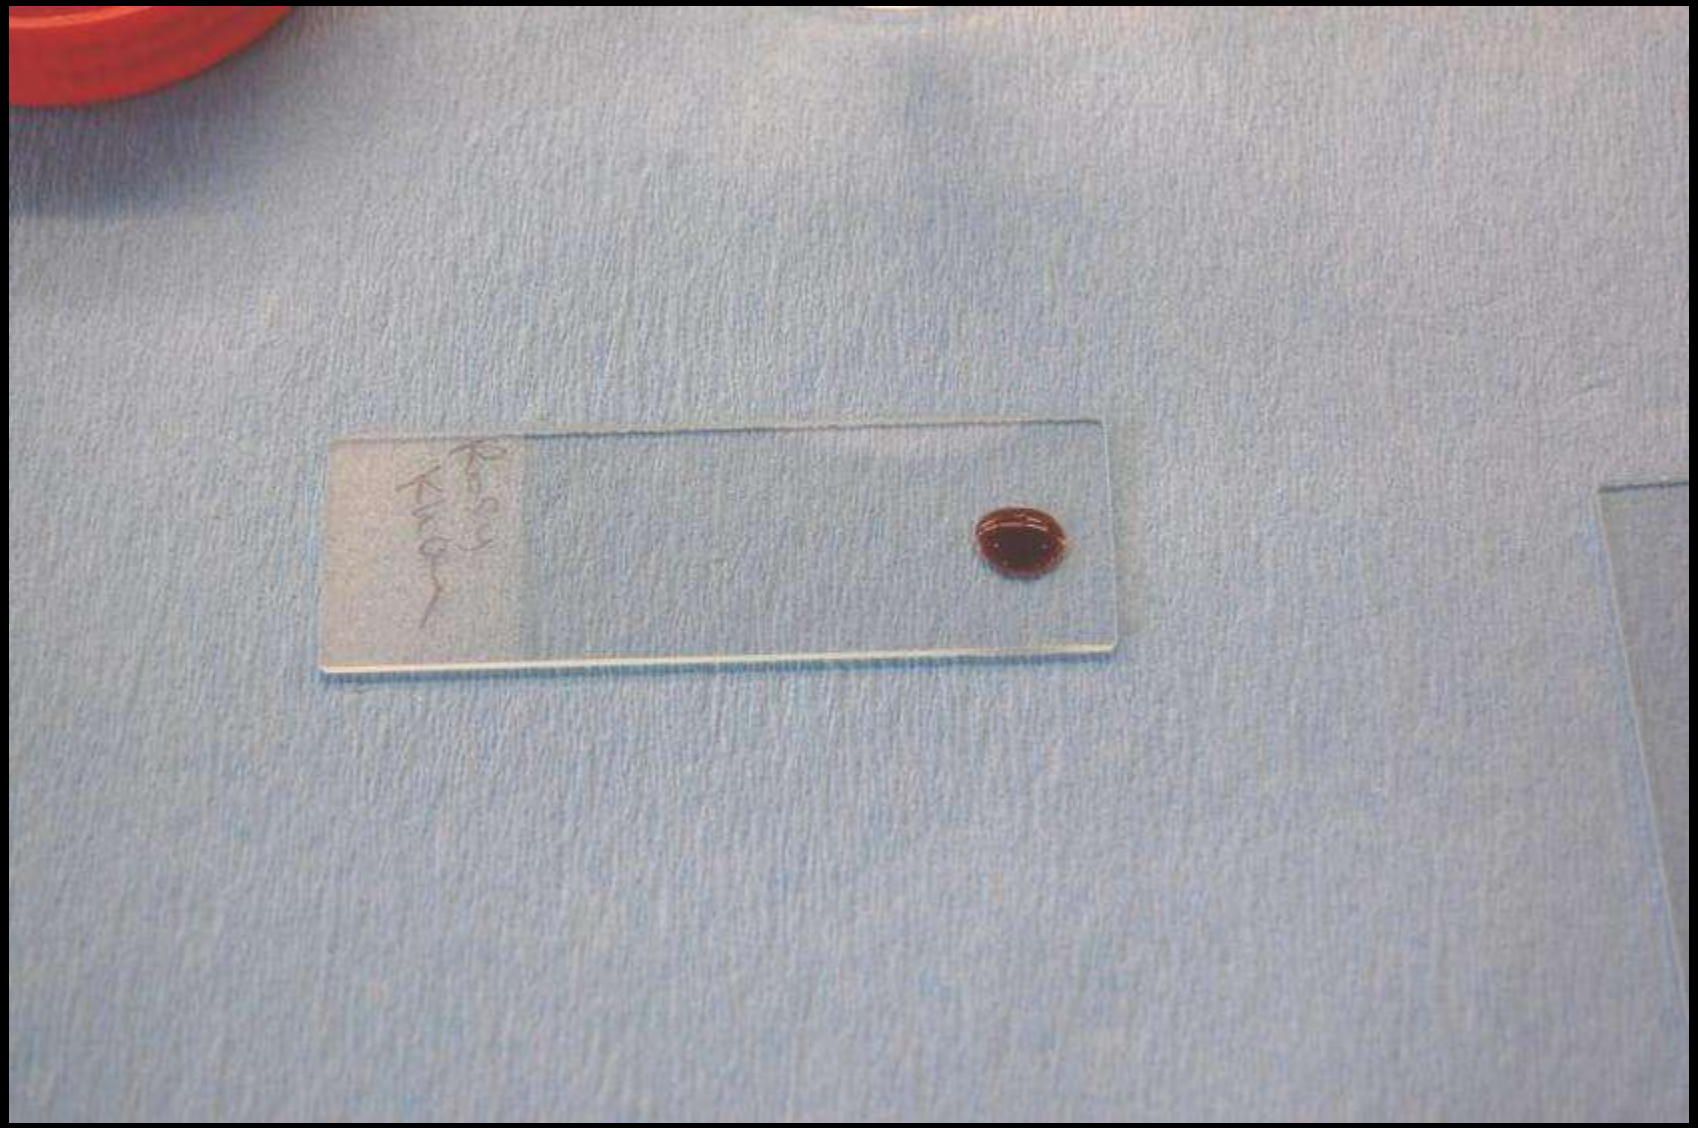
- Centrifugation
- Etalements
- Inclusion du culot
- Cytocentrifugation

Cytologie : Les cytoponctions

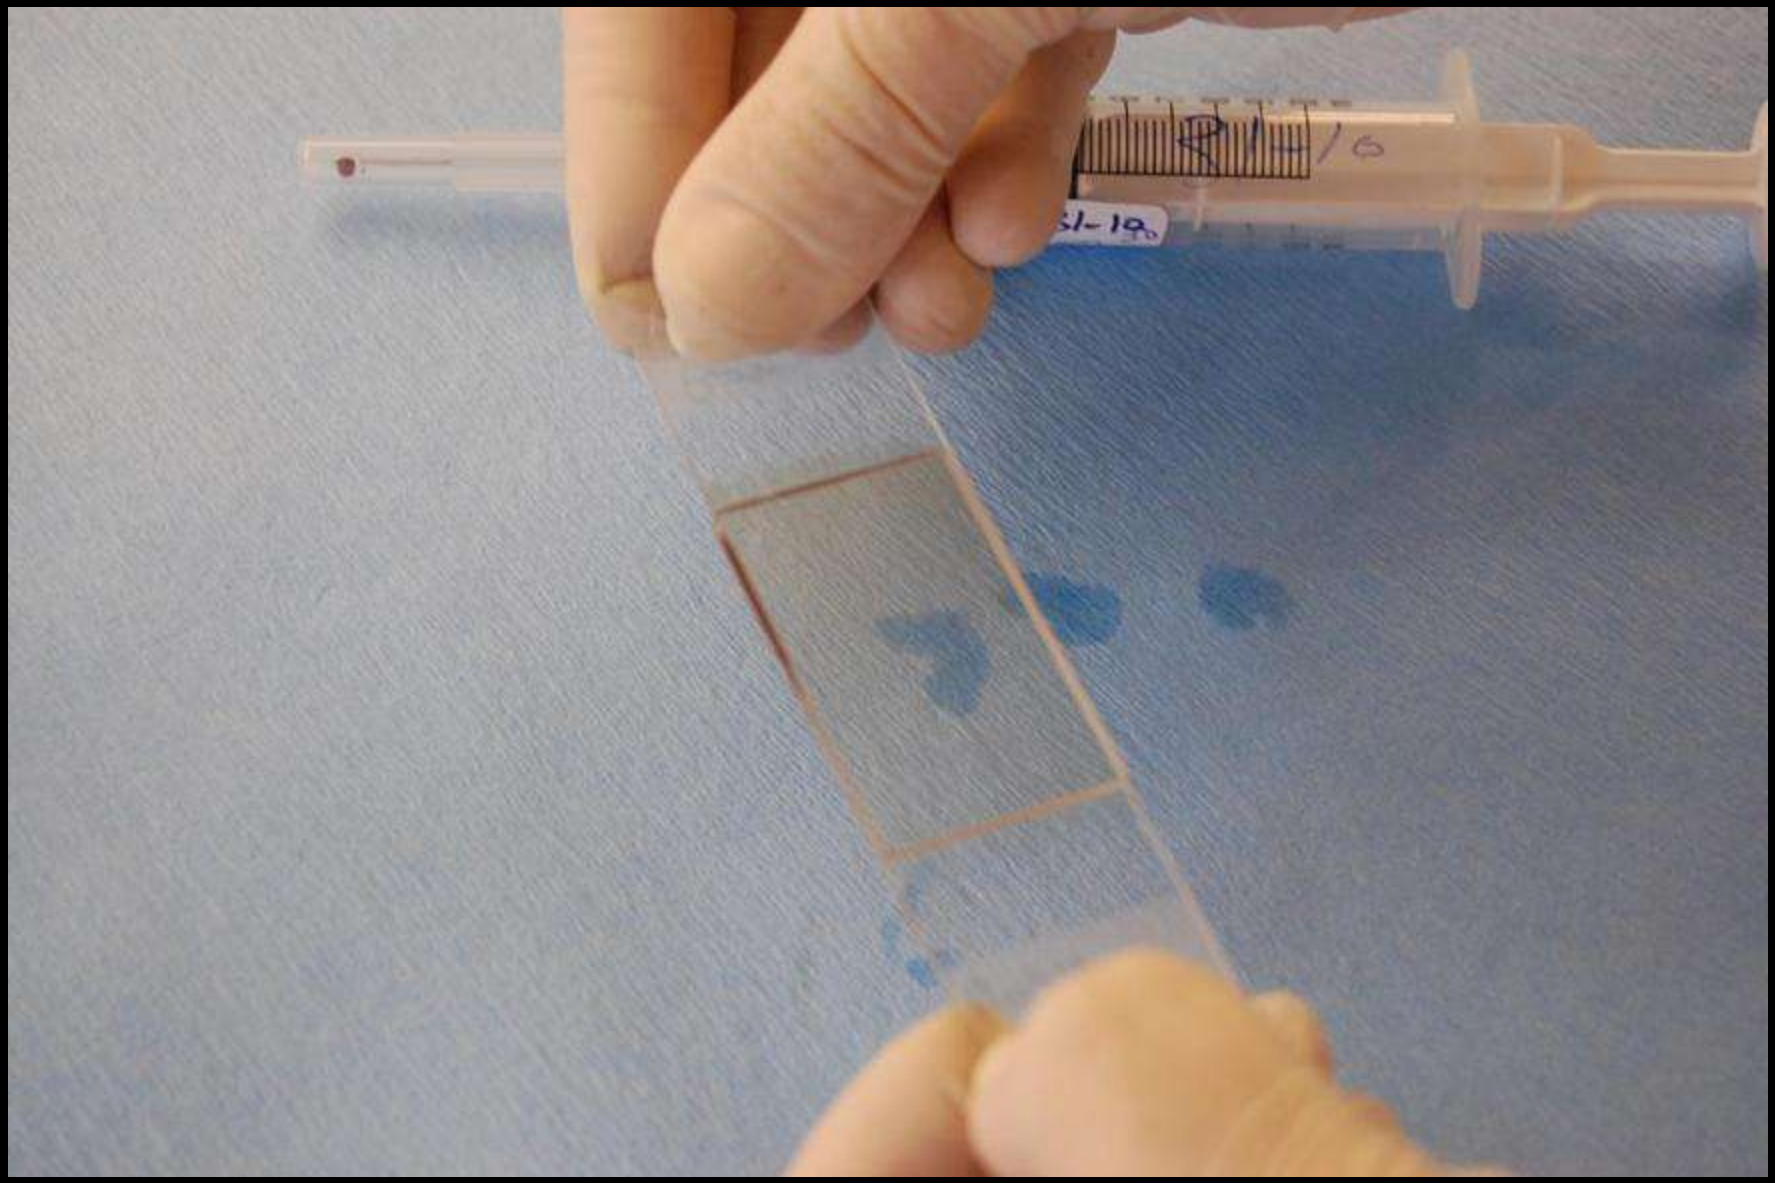


Cytologie : Les liquides, Etalements

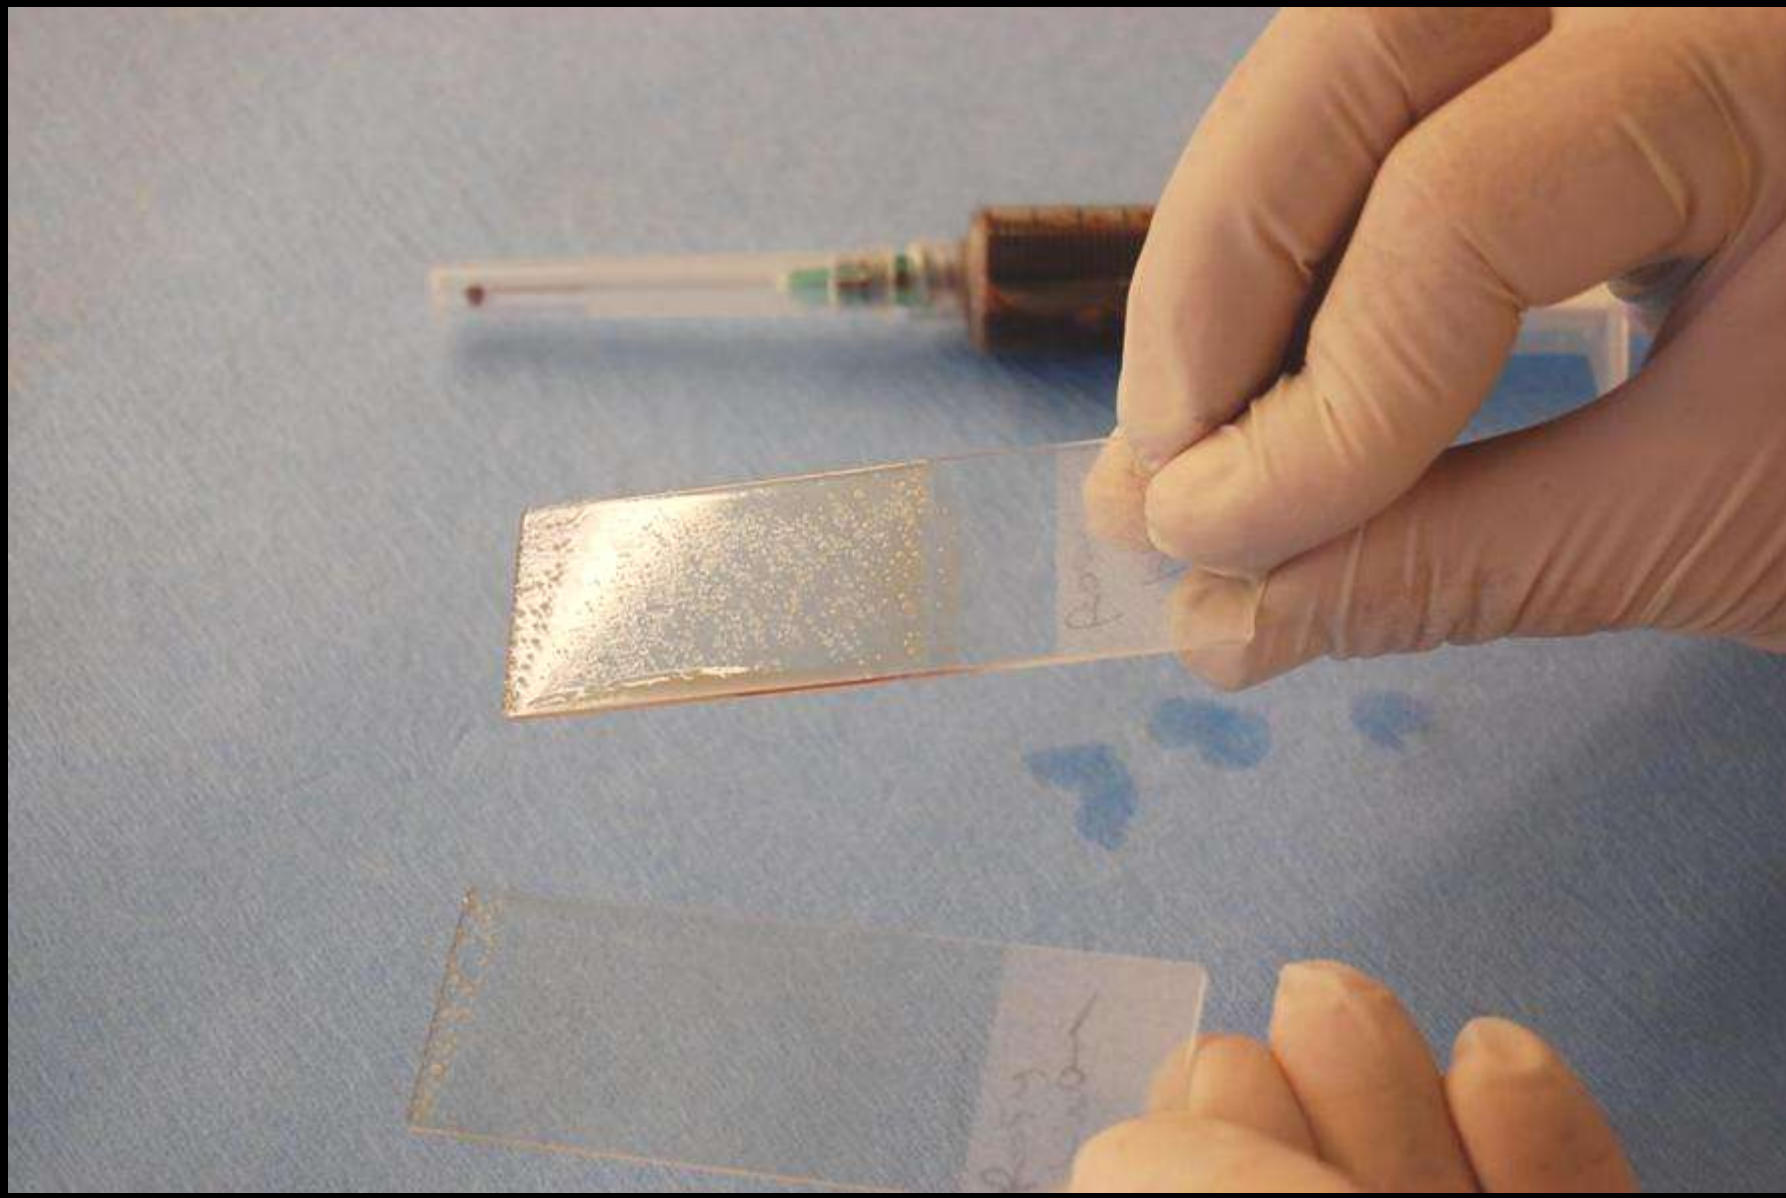
Cytologie : Les liquides, Etalements



Cytologie : Les liquides, Etalements

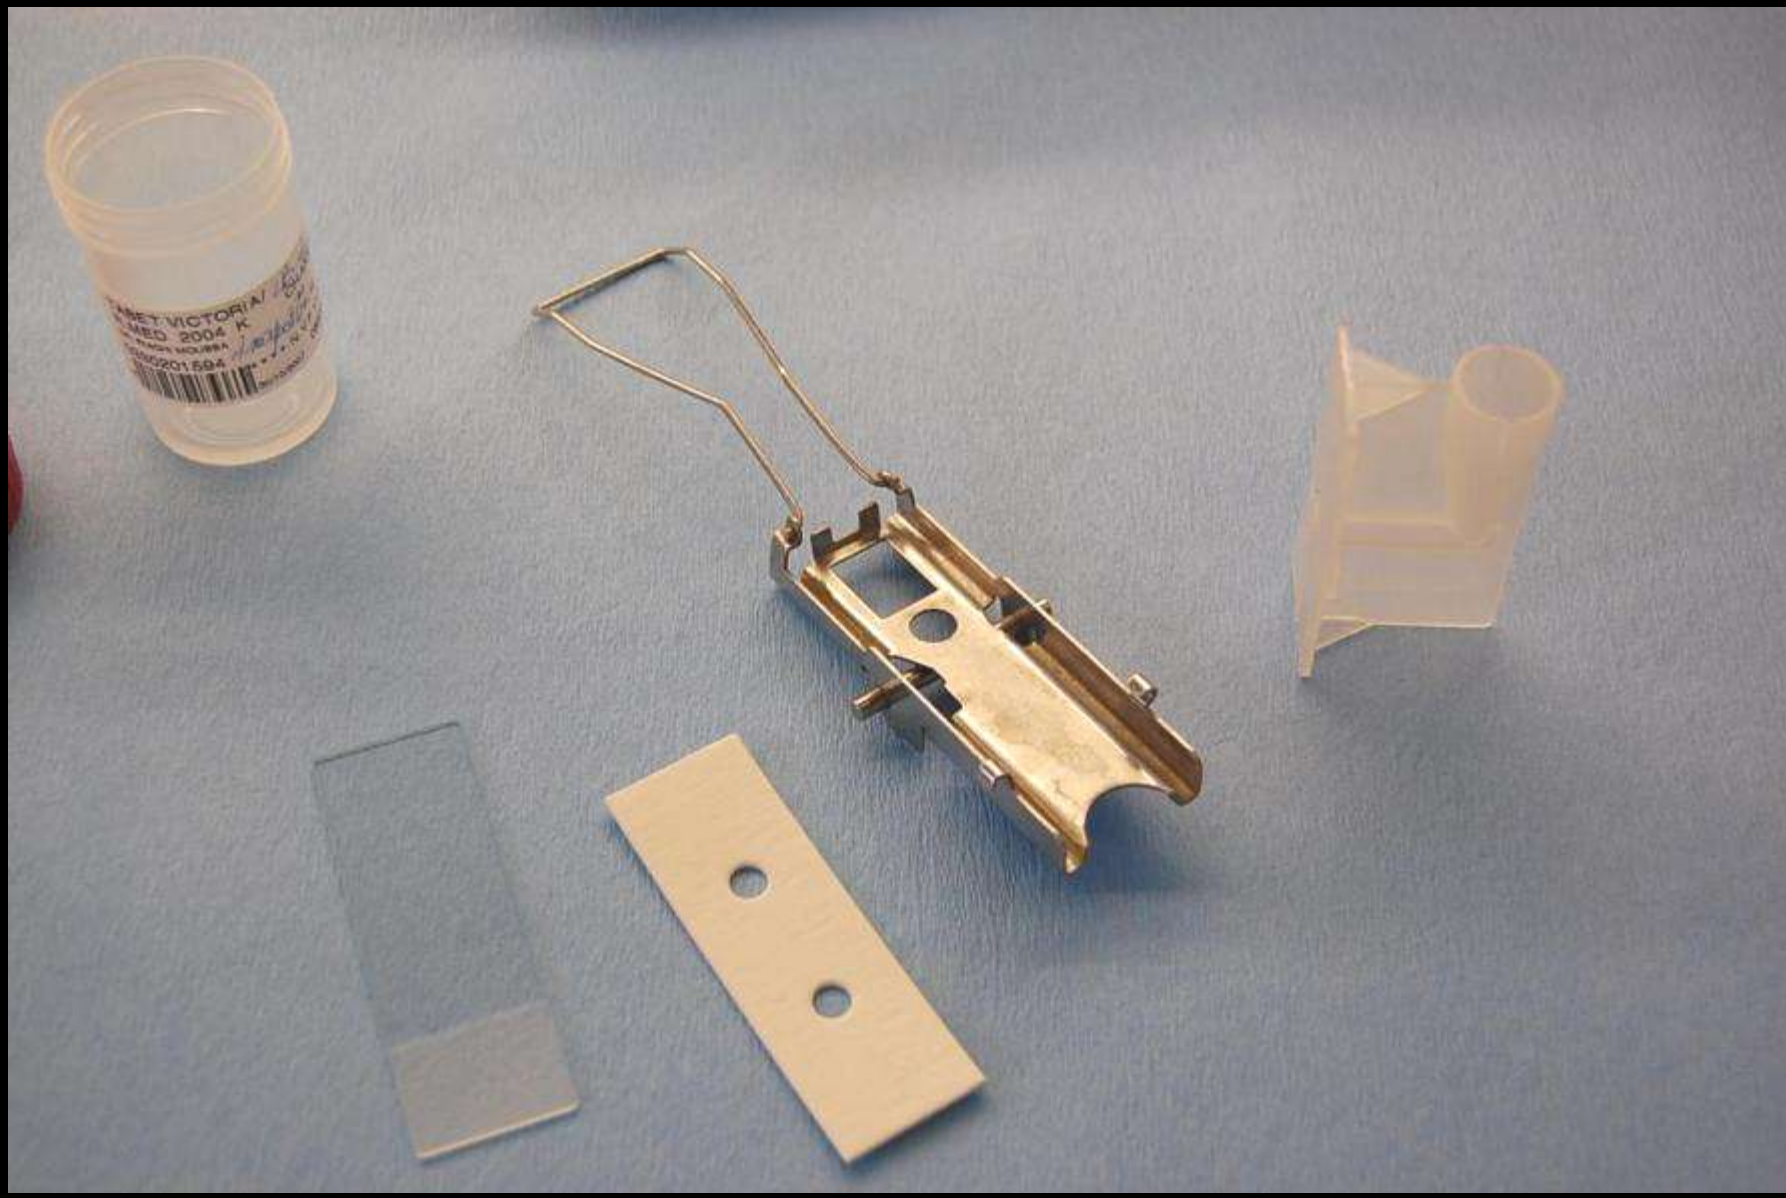


Cytologie : Les liquides, Etalements

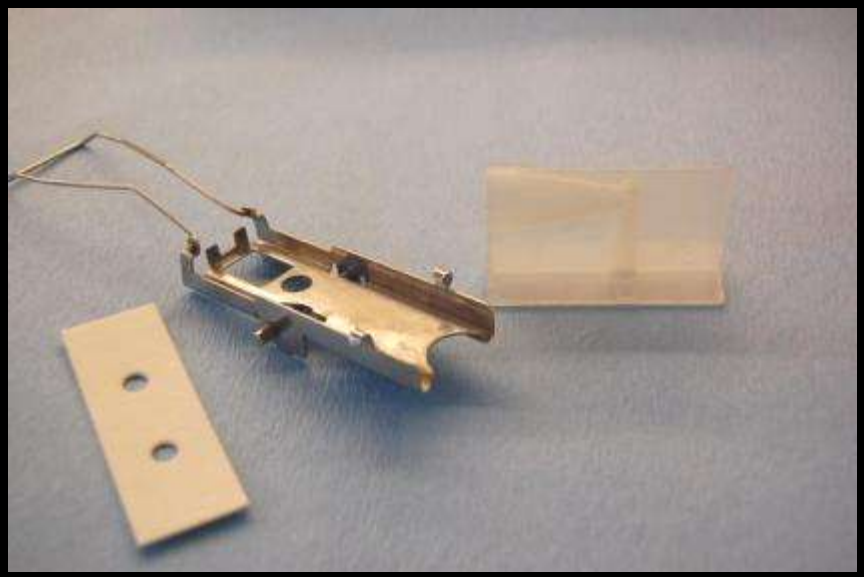


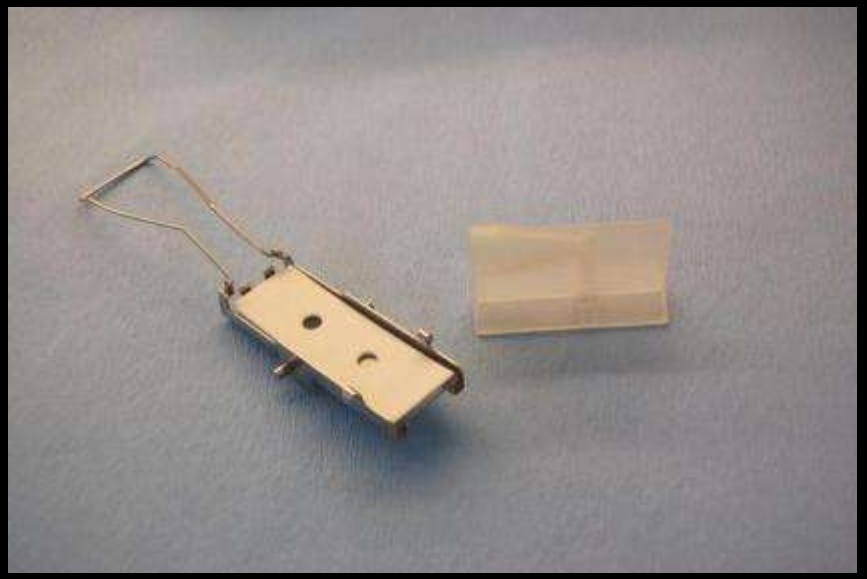
Cytologie : Les liquides, Etalements, Fixations

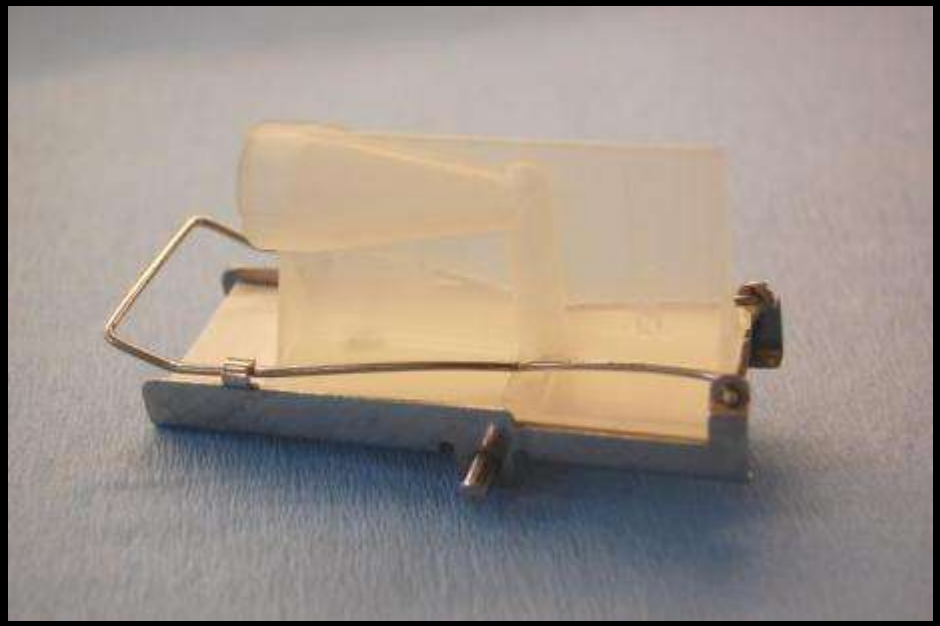
Cytologie : Les liquides, Cytocentrifugation



Cytologie : Les liquides, Cytocentrifugation



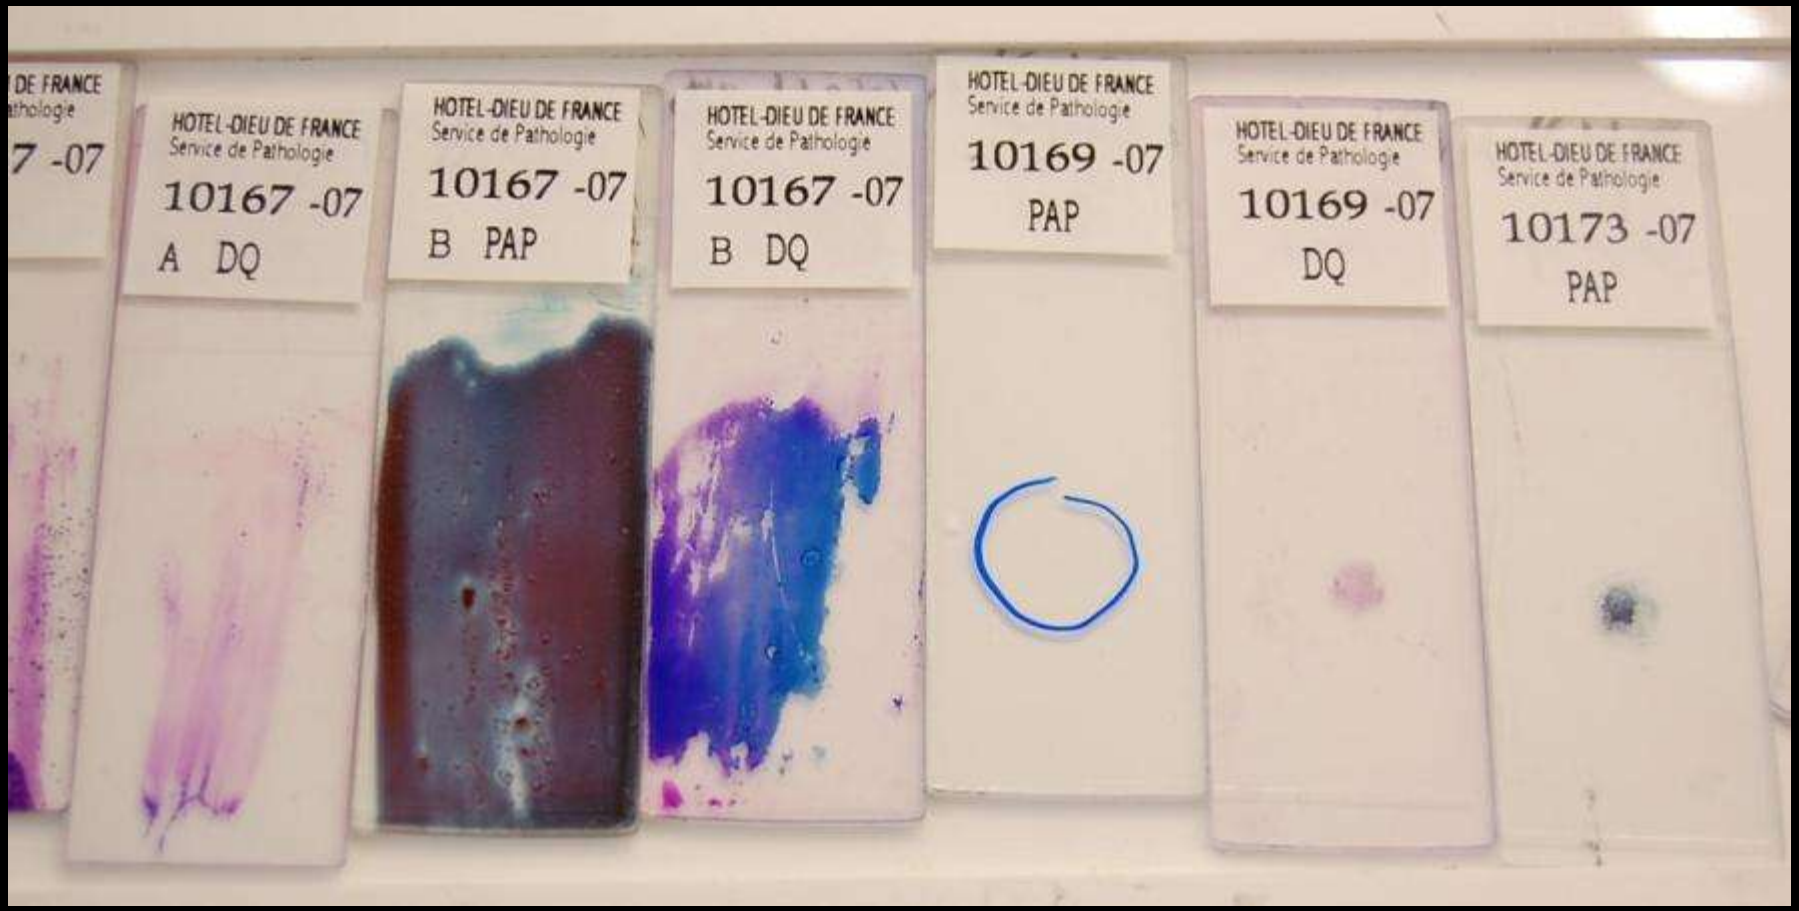




Cytologie : Les liquides, Cytocentrifugation

Cytologie : Les liquides, Cytocentrifugation

Cytologie : Les liquides, Cytocentrifugation

Cytologie : Les liquides, Cytocentrifugation


Cytologie : Les liquides, Les colorations
